ABOUT ME

I am a fourth-semester student majoring in Information Technology at Universitas Pendidikan Nasional, Denpasar. I have a strong interest in the field of technology, especially in Software and web development. Additionally, I am enthusiastic about learning modern technologies such as Artificial Intelligence (AI), Internet of Things (IoT), and Machine Learning. I enjoy exploring creative ideas and applying them through innovative interface designs and technology-based solutions.

EDUCATION

Universitas Pendidikan Nasional, Denpasar Sept 2024 – Present
